Φ Physisplus

The Ensign Compact 45 is a high specification, yet compact 3-manual organ with 30-note pedal board. With a comprehensive English stop list of 45 speaking stop tabs it combines great versatility but with the smallest 3-manual footprint possible. Using our Physis Plus modelling technology, the Ensign Compact 45 benefits from a larger internal audio system which includes 2 x 10" woofers for an exceptional bass response. It is available in Dark & Light oak simulated wood finishes.
